	APPROVAL OF STATE ENGINEER
The	This is critify that I have examined the foregoing application, and do hereby grant the same, subject to the wing limitations and conditions: This permit to change the point of diversion of the waters of an underground source as heretofore granted under Permit 49499 is issued subject to the terms and conditions imposed in said Permit 49499 and with the understanding that no other rights on the source will be affected by the change proposed herein. The well shall be equipped with a 2-inch opening and a totalizing meter must be installed and maintained in the discharge pipeline near the point of diversion and accurate measurements must be kept of water placed to beneficial use. The totalizing meter must be installed before any use of the water begins or before the proof of completion of work is filed. If the well is flowing, a valve must be installed and maintained to prevent waste. This source is located within an area designated by the State Engineer pursuant to NRS 534.030. The State retains the right to regulate the use of the water herein granted at any and all times. This permit does not extend the permittee the right of ingress and egress on public, private or corporate lands. The total combined duty of water under Permits 49716, 56718 and 56719 shall not exceed 531.2 acre-feet for the irrigation of 106.24 acres. The issuance of this permit does not waive the requirements that the permit holder obtain other permits from State, Federal and local agencies. Amount of water to be changed shall be limited to the amount which can be applied to beneficial use, and not to exceed 0.2592 Cubic feet per second Description of the exceed 90.35 acre-feet annually, and not to exceed a yearly duty of 5.0 acre-feet per acre if land irrigated from any and/or all sources.
Wor	must be prosecuted with reasonable diligence and be completed on or before May 23, 1995
Ртоп	f of completion of work shall be filed before
Appl	ication of water to beneficial use shall be made on or before
Proo	f of the application of water to beneficial use shall be filed on or before
Мар	in support of proof of beneficial use shall be filed on or before
	JUL 2 4 1995 IN TESTIMONY WHEREOF, I, R. MICHAEL, TURNIPSEED, P. E. State Engineer of Nevada, have hereunto set my hand and the seal of my
	of beneficial use filed office, this13+h.day ofOctober,
